Number of courts

In the report of the special officer appointed for formulating proposals for the introduction of the separation scheme within Station, he has recommended that in the Tumkur Dt there should be one first class court and 3 second class courts be located in the following places.. viz.

one first and one second class court at Tumkur, one second class court at Tipturu and one second class court at Maddagiri. The District Magistrate presumes that 4 courts as noted in the report will be given without stating his opinion as to whether 4 courts are required or any less number will do. If four courts are to be given the average cost will come to 22.27 1 and the actual cost for the first 12 months to Rs 19,284. (The details for this have been worked out later on in the notes). It is a point for consideration whether 4 courts are to be given. For the reason the Special Officer recommended five courts, but it has been found possible to introduce the scheme with 4 courts only. Similarly with a little change of jurisdiction it is possible to introduce the scheme with only 3 courts in the District which will reduce the cost.

2. Jurisdiction. The Special Officer recommends the jurisdiction of the courts as follows.

1. First class court Tumkur — 1st class cases of the District
2. Second class court Tumkur — Taluks of ~~Gubbi~~ Tumkur, Gubbi and Kunigal
3. Second class court — Tipturu — Tks of Tipturu Chiknayakanahalli & Tumkur Sira Tk

If Gubbi Taluk is added on to the Tajptur Court and of a first class court is given to Maddagiri, 3 Courts will be sufficient. The jurisdiction will then be as follows:-

First class court Tumkur - All first class cases of Tumkur, Gubbi, Kunigal, Tipatur, Chikanayakanahalli and Sub Taluk of Turuvekere, Second & third Class cases of Tumkur and Kunigal and appeals from the Taluks in the jurisdiction of the Tipatur court.

First class court Maddagiri - All first second and third class cases of maddagiri, Sira, Pavagada and the Sub Taluk of Kortagere.

Second class court Tipatur - Second and third class cases of Tipatur, Gubbi, Chikanayakanahalli and the Sub Taluk of Turuvekere.

Gubbi is on the ~~centre~~ railway line for second and third class cases they can go to Tipatur and for first class cases to Tumkur - There may not be any great difficulty. If only ~~it is a~~ 3 courts are given with proper jurisdiction the cost will be less.

(3) ~~[illegible]~~. The District magistrate states that the people of Pavagada have to come to Maddagiri a distance of 40 to 50 miles. He recommends a Special Second class court for

Pavagada. Perhaps the Amildar at Pavagada may not be divested of his powers and he may be continued his powers as in the case of Yelandur and Sringeri and redistribution of jurisdiction may be ordered thus taking advantage to reduce the number of Courts to 3.

(4) Accommodation

The District magistrate recommends that by suitable alteration of the munsiff's Court Building and the Taluk Cutcherry, the Special magistrate's Courts may be accommodated in Tumkur. The Cost for effecting the necessary alteration is estimated as Rs 3500/-. This is not possible to be met from the lumpsum provision for the Introduction of the Scheme in the Current years budget. Perhaps the Chief Engineer may be asked to effect the necessary alterations from his own budget. It is not known whether he will agree or not.

In Tiptur, a building has to be erected at Maddagiri the D.C. suggests that the building behind the munsiff's Quarters may be utilised. Provision for rent has been included under

(5) Furniture. A sum of Rs 2500/- for furniture and books has been included in the cost. The D.C. recommends that the Stores Purchase committee may be requested to order for the supply of furniture

The cost has been worked up in the previous page and the savings too have been taken into calculation. Final Note by the First Member of Council.

Subject:—

Introduction of the Separation Scheme into the Tumkur District and the appointment of Magistrates for the new Courts in the Hassan and Tumkur Districts.

A

Sanction of His Highness has been accorded to the introduction of the Scheme of Separation of Judicial and Executive Functions into the Hassan District, with effect from 1st September 1924, by the establishment of one Special First Class Magistrate's Court at Hassan and two Second Class Courts at Hole-Narasipur and Saklespur respectively.

On representations made at the Birthday Session of the Representative Assembly for the introduction of the Scheme into the Tumkur District also during the current year, the Dewan announced that a provision of Rs. 15,000 would be made for the purpose, and in the Budget as finally sanctioned in Government Order No. Fl. 7179-7227- G.F.229-23-1 dated 30th June 1924 the said provision has been made. The District Magistrate, Tumkur, who was

B

asked to submit proposals in the matter, has proposed the establishment of one Special First Class Magistrate's Court at Tumkur and 3 Special Second Class Magistrates' Courts at Tumkur, Tiptur and Maddagiri respectively.

While considering the proposals of the District Magistrate, Tumkur, the question of the selection of Magistrates for the new Courts in the Hassan and the Tumkur Districts was also taken up, and I recorded the following minute on the 3rd August 1924:-

C

" Government having decided to introduce the Separation Scheme into the Tumkur District, the details have to be worked out. The Special Officer Mr. S. P. Rajagopalachar has proposed 4 Courts for this District - one of a First Grade Special Magistrate at Tumkur and 3 of Second Grade Special Magistrates one each at Tumkur, Tiptur and Maddagiri. Under our Scheme we can have a Court of a Special Second Grade Magistrate with First

and appellate powers at Tumkur and the others Courts of Third Grade Magistrates. The budget provision does not admit of the appointment of a First Grade Magistrate on Rs. 500-600. It admits only of the appointment of Third Grade Magistrates, and a Second Grade Magistrate will have to be transferred to this District from some other place. The District Magistrate too proposes the appointment of 4 Special Magistrates. Eventually when it is found possible to invest the Third Grade - Magistrates with First Class powers, it may be possible to reduce one of the Third Grade Magistrate's Courts. For the present the proposal of the District Magistrate, Tumkur, which is in accordance with that of the Special Officer, may be accepted.

As regards the location of the Courts, the proposal to locate the two Special Courts at Tumkur in the Taluk Cutcherry building and the two Munsiffs' Courts in the present Munsiff's Court building may be accepted. The cost of alteration comes to Rs. 3,500. The Public Works Department may be asked to take up the work at once. No money can be found for this from the allotment made in the budget for the Separation Scheme, unless its introduction is deferred by a couple of months.

For the location of other Special Magistrates' Courts at Tiptur and Maddagiri and of the Bench Courts at several Taluk Head Quarters, the proposals of the District Magistrate may be accepted.

As regards the personnel, we require seven Special Magistrates, Third Grade, for the Districts of Hassan and Tumkur. If one of the Assistant Commissioners is appointed a Special Magistrate in accordance with the Civil Service Scheme, Mr. N. Seetharamia of French Rocks will revert to the Secretariat, as there is no place for him in the Second - Grade in the present cadre.

I would propose the following appointments:-

1. Mr. Ananthamurthi - Brahmin - He is a First Class LL.B. and winner of several medals and prizes.

2. Mr. B.G.Ramakrishna Iyengar do Malnad man (Shimoga). He has been doing well as a lawyer and is a clever man. He is the son of

son of Mr. B. Garudachar, Advocate, Shimoga, and son-in-law of Mr. B. Srinivasiengar, Deputy Commissioner, Kadur.

3. Mr.B.Devaraj Urs, B.A., LL.B. Mysore - Ursu - He is spoken well of by the District Judge, Mysore.

4. Mr. T.N. Mallappa, B.A., LL.B.Lingayet - Bangalore - is spoken well of by Mr. M. Ramachandra Rao and several others.

5. Mr. K.C.Lingiagowdar, M.A., LL.B., - Vokkaligar - is spoken well of by Mr. Rama Rao, District and Sessions Judge, Civil and Military Station.

6. Mr. Abdul Razack, B.A., LL.B., Mahamedan - Is a Prosecuting Inspector of Police and has acted twice as - Special Magistrate.

7. Mr. Kanakaratnaraj, B.A., LL.B. son of Mr. Sami Chetty, Christian, is doing well as a practitioner in the Civil and Military Station. "

The whole question was considered at the meeting of the Council held on the 7th August 1924 and the following resolution was passed:-

Page 13 of Office Notes

" In connection with the introduction of the Separation Scheme into the Tumkur District, there may be the following Magistrates:-

1. TUMKUR - One Special Magistrate exercising First Class and Appelate powers over the whole District.

2. MADDAGIRI - One Special Magistrate exercising Second and Third Class powers over the Taluks of Maddagiri (including Koratagere) Pavagada and Sira.

3. TUMKUR - One Special Magistrate exercising Second and Third Class powers over the Taluks of Tumkur, Kunigal and Gubbi.

4. TIPTUR - One Special Magistrate exercising Second and Third Class powers over the Tiptur and Chicknaikanahalli Taluks and Turuvekere Sub Taluk.

These arrangements may be provisional for one year.

Including the Hassan District there will be seven places of Third Grade Magistrates, and these may be filled up as recommended by t h e First Member in his minute dated 3rd August 1924 ".

Before the Council Resolution could be submitted to His Highness the Financial Secretary urged that measures like this may be deferred

in view of the disturbance caused to the budget by the recent floods and the rising tendency of exchange. The expenditure on the introduction of the Scheme in the two Districts of Hassan and Tumkur is not, after all, very large, and the postponement of the reform will cause great disappointment to the people who have been repeatedly asking for the same. Further, the arrangements for the introduction of the Scheme have gone too far and it is considered inadvisable to defer the Scheme. Orders have accordingly been issued for its introduction into the Hassan District from 1st September, and it is proposed to introduce it into the Tumkur District from 1st October.

Out of the above 7 persons, 3 will be appointed with effect from the 1st September in connection with the introduction of the Scheme in the Hassan District and the remainder with effect from 1st October in connection with the introduction of the Scheme in the Tumkur District.

The proposals may be graciously approved.

S i r,

With reference to your D.O. No. Camp. dated the 19th ultimo and in continuation of my letter No. J.C.659 dated - 12/14th instant, re introduction of the separation scheme into this District, I have the honor to state that, till now, no - special Government Order has been received lying down the scale of the number of Courts to be established. From the scale laid down in the Government Order passed when introducing the scheme into the State, for the 1st time, it is presumed that - one I Class Court and 3 Second Class Courts will have to be formed in this District as noted in the margin*. In addition to these, Bench Courts are ordered to be opened in all the Taluk Head Quarters. There are 8 Taluks and 2 Sub -- Taluks in this District. Excluding the Bench Court now in existence at the District -- Head Quarters, 9 more Courts for the seven Taluks and 2 Sub Taluks are to be opened. ~~Five~~ Seven of the Amildars and one of the two Sub Division Officers, who were asked to propose suitable

suitable buildings for the Bench Courts and send in lists of persons eligible to serve on the Bench have submitted their proposals along with the lists called for. The lists so far received are herewith forwarded for kind approval, and sanction may be accorded for the appointment of persons shown therein as Special Honorary Magistrates for a period of 2 years in the 1st instance. The lists of Magistrates for the remaining Taluks will be forwarded as soon as they are received.

The requirements for the formation of the Special Courts are:-

1. Buildings.
2. Furniture.
3. Establishment (clerical and Menial).
4. Stationery and Forms.
5. Books of reference.

With regard to the buildings, for locating the Courts, the Sub Division Officer, Maddagiri reports that the present Munsiff's Quarters are available for the purpose and both the Special Magistrate's Court and the Bench Court can be conveniently located therein. For the Special Magistrate's Court at Tiptur, it is learnt that a portion of the building in which the Mysore Bank is now located is available and this can be rented out for the present. The two Special Courts at Tumkur may be located in the Amildar Magistrate's Court Hall and the portion of the Taluk Office building now occupied by the Assistant Registrar of Co-operative Societies after effecting some slight necessary alterations suited for the purpose. The Bench Courts at Tiptur Chiknaikanhalli, Sira, Kortagere ~~and Kunigal~~ may be held either in the Court Halls of the respective Amildar Magistrates or in some convenient place in the Taluk Office buildings. As the accommodation in the Taluk Offices at Kunigal, Pavagada, Turuvekere, and Gubbi is hardly sufficient for the Amildar's Office, I have thought of locating the Bench Court at Turuvekere, for the present, in a portion of the Musaferkhana at the place and at Gubbi, in a portion of Sambhulingasetty's chattram, as the Amildar reports that this arrangement does not in any way inconvenience the travellers and will not involve any addi-

additional cost, as it is already under the control of the Revenue Department. I have myself seen this and consider it quite convenient and suitable for the purpose.

With a view to see whether all the Judical Courts can be located in one and the same place in Tumkur, I inspected the old Jail Building along with Sub Division Officers, the Munsiffs, the Executive Engineer and some of the leading lawyers of the place. With some alterations, the building may be made to accommodate - 2 Munsiffs'Courts and the 2 Special Magistrate's Courts to be - established. The Veterinary Hospital, very near this building, -- may be shifted to the District Work Shop Building, which has been vacated, the present Veterinary Hospital building being used for the use of the Amins and their Establishment.

As an alternative to this, the present Munsiff's Court -- was also ~~immediately~~ inspected. By slight suitable additions & alterations to this building, it may well be made convenient for holding both the Munsiffs' Courts, the chambers of the I Munsiff being added on to the II Munsiff's Court Hall, the bath room being converted into his chambers. A portion of the hind - - verandah may be walled up and converted into chambers for the other Munsiff, and both of them being given separate arrangement for a bath room. By putting up an additional rooms in continuation of the present witness shed, accommodation can be found for Lawyers also, and the present lawyers' room made available for the establishment of the Munsiffs. This arrangement seems to suit all parties, in whose presence it was discussed at the time.

As already suggested by me the 2 Special Magistrates' -- Courts will be located in the Taluk Amildar Magistrate's Court Hall and the portion of the Taluk Office occupied by the Assistant Registrar of Co-operative Societies. The Bench Court may remain where it is now i.e., in the District Office Building.

This 2nd proposal is in, my opinion, more preferable, as it overcomes the two main objections raised about the first.

If

If all the Judicial Courts are to be held in the old Jail Building, the lawyers pleaded that it would not altogether solve the difficulty in as much as they would still have to run up & down after finishing their Civil and Criminal Cases to the District Office, almost every day to conduct their Revenue & Incometax appeals before the Deputy Commissioner, and the Sub Division Officers.

Another equally important objection is that by shifting the several offices from their original places to the new Jail, it was pleaded, ~~that~~ it had not only caused a lot of inconvenience but had resulted in the loss or mislaying of certain records, etc., which were yet being traced. A second shifting of these offices would throw them into greater confusion and inconvenience. By way of avoiding the inconveniences etc., referred to above, it appears to me better to have the Special Magistrates' Courts near the District Office. The Executive Engineer, ~~who~~ has been requested to send up the alternative proposals (with plans & estimates etc) in the light of the discussions, but no reply has been received from him till now. His --- proposals, in detail, will be forwarded to Government as soon as they are received.

In this connection, I may state here, that during my recent visit to Pavagada, I heard loud complaints from people there that by the separation scheme, they would be put to a lot of trouble and expense, as they would have to go 40 to 50 miles all the way to -- Maddagiri, if they had any Criminal Cases to lodge before a - - - Magistrate. For some time to come at least, it seems better in the interests of the people of this frontier Taluk, to continue the Criminal powers of the Amildar of Pavagada, or given a Special 2nd Class Magistrate for this Taluk, as a special case.

Again, it will, to an equal or greater extent cause hardship to the people of Maddagiri Sub Division, if only a II Class Court is to be established there, as the parties will have to run up more than 70 or 80 miles if they have any case of theirs to be tried -- before a I Class Magistrate. For this reason, it is necessary -- to have a I Class Court at Maddagiri also. I request therefore,

therefore, that as an exception to the general rule, the Amildar of Pavagada may be allowed to continue to exercise his criminal powers and the Special Magistrate at Maddagiri be invested with I Class powers.

2. F U R N I T U R E : -- A statement showing the furniture required for all the Special Courts is appended hereto. - As this is pretty large and there is hardly any time to get it locally made, the Stores Puchase Committee may kindly be ordered to supply the necessary furniture. What allotment has been made for the purchase of furniture required for this District, may --- kindly be intimated.

3. E S T A B L I S H M E N T : -- The clerical establishment required for the various Courts is noted in the margin*. It is seen that 22 hands are in all required. Out of which 2 magesterial clerks from the 2 Sub Division Offices and 8 magesterial clerks attached to the Taluk -- Offices will be available. Necessary notification will be sent to the Recruitment Board, calling for applications for the remaining 12 posts.

One on Rs.30/-	One on Rs.25/-

The marginally* noted menial establishment will be required and steps will be taken to absorb these - that have been thrown out on account of retrenchment.

*

4 Daffedars on Rs.14/- each, and 12 Peons on Rs.10/- each.

The Superintendent, Stationery & Forms has been addressed to supply the new Courts with the requisite registers, forms and -- stationery.

A lump sum grant of Rs.250/- per annum will have to be provided in the Budget for the rental of the buildings for the --

location of the Courts at Tiptur, ~~Turuvekere and Kortagere~~ Kunigal and Pavagada.

Regarding reference books, I may state here, that almost all the Courts in this District were badly in need of them. The new Courts that will have to be formed may kindly be supplied with at least one copy each of the marginally* noted books for the present. The few - books that form the slender Library of the 3 Sub Division Courts and the Taluk Magistrate's Court at --- Tumkur, will be placed at the disposal of the 4 Special Courts and additions may be made to it as occasion requires.

*
1. Sahonis Criminal Procedure Code.
2. Ratnalal's Law of Crimes.
3. Amirali's Evidence Act.

Further proposals in the matter will be submitted in the course of one week.

I have the honor to be,

sir,

your most obedient servant,

District Magistrate,
Tumkur District.
